Choice Program

The Bethlehem Township School District is a high performing district comprised of two schools: Thomas B. Conley (Pre-K-5) and Hoppock Middle School (6-8). The district offers students a full range of academic, enrichment, and co-curricula programs including interscholastic sports and summer camps. Our district-wide 1:1 iPad initiative and grades K-5 science programs represents our forward thinking and innovative approach to preparing our students for success in the 21st Century. We promote the “4 C’s”: critical thinking, communication, collaboration, and creativity.

The combination of small class sizes and an excellent teaching staff makes the Bethlehem Township School District one of Hunterdon County and New Jersey's best places to learn and grow.
